Comprehensive Needs Assessment

Revised/Approved: September 8, 2023

Demographics

Demographics Summary

22-23 Student Demographics:

75% Hispanic, 23.8% White, 1.2% African American

89.3% Economically Disadvantage

22-23 Teacher Demographics:

81% Hispanic, 19% White

Demographics Strengths

The demographics of students to teacher is highly comparable with 65% hispanic teachers to 85% hispanic students.

Banquete Elementary is projected to be rated an "A" rated district for the 2022-2023 school year.

Banquete Elementary is projected to be rated an "A" rated district for the 2021-2022 school year and outperformed the state and region in a variety of areas.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Banquete Elementary currently does not have an ESL ELA certified teacher in 4th, 3rd and 1st grade to provide services to current ELL students. **Root Cause:** ESL certification is not required for all teachers at Banquete ISD.

Student Learning

Student Learning Summary

Students outperformed the state and region in Math, Reading, & Science for all grade levels except 3rd grade Reading and Math.

Students showed overall growth in MAP testing as a campus in the 2022-2023 school year.

Student Learning Strengths

Students outperformed the state and region in STAAR Reading for 4th and 5th grade for 2022-2023.

Students outperformed the state and region in STAAR Math for 4th and 5th grade for 2022-2023.

Students outperformed the state and region in STAAR Science for 5th grade for 2022-2023.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): 3rd Grade scored below the region and state average in Reading and Math on the 2023 STAAR. **Root Cause:** Learning loss as a result of the COVID-19 pandemic have proven to show learning gaps in 3rd grade students in which are continuing to be recovered annually. The STAAR test was redesigned to include a variety of new types of questions which are different from those students are accustomed to.

Problem Statement 2 (Prioritized): Banquete Elementary is projected to have scored an F on Academic Growth in Domain II for School Progress.

School Processes & Programs

School Processes & Programs Summary

All teachers and staff are highly qualified for their positions within Banquete Elementary. All BES teachers are certified in the content/grade level that they teach.

School Processes & Programs Strengths

Teachers are completing summer professional development. Teachers are also required to complete additional professional development during the school year that is beyond what is offered by the school and district. Teachers are encouraged to facilitate and lead professional development for the campus, district, and beyond.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Few teachers facilitate and lead professional development. **Root Cause:** Teachers are not required to, nor are provided incentives to facilitate and lead professional development opportunities and therefore do not attempt to lead on their own.

Perceptions

Perceptions Summary

Banquete Elementary has events, activities, and incentives. BES staff is involved collaboratively in Site Based Decision Making/Campus Leadership Team.

Perceptions Strengths

Banquete Elementary has events, activities, and incentives that promote positive relationships between the staff, community, and students.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Banquete Elementary has limited resources in the area due to being a rural campus. **Root Cause:** Banquete Elementary is in a rural area of the Coastal Bend Area. We are approximately 30 miles from the nearest metroplex city, Corpus Christi.

Priority Problem Statements

Problem Statement 1: Banquete Elementary has limited resources in the area due to being a rural campus.

Root Cause 1: Banquete Elementary is in a rural area of the Coastal Bend Area. We are approximately 30 miles from the nearest metroplex city, Corpus Christi.

Problem Statement 1 Areas: Perceptions

Problem Statement 2: Banquete Elementary currently does not have an ESL ELA certified teacher in 4th, 3rd and 1st grade to provide services to current ELL students.

Root Cause 2: ESL certification is not required for all teachers at Banquete ISD.

Problem Statement 2 Areas: Demographics

Problem Statement 3: 3rd Grade scored below the region and state average in Reading and Math on the 2023 STAAR.

Root Cause 3: Learning loss as a result of the COVID-19 pandemic have proven to show learning gaps in 3rd grade students in which are continuing to be recovered annually. The STAAR test was redesigned to include a variety of new types of questions which are different from those students are accustomed to.

Problem Statement 3 Areas: Student Learning

Problem Statement 4: Banquete Elementary is projected to have scored an F on Academic Growth in Domain II for School Progress.

Root Cause 4:

Problem Statement 4 Areas: Student Learning

Problem Statement 5: Few teachers facilitate and lead professional development.

Root Cause 5: Teachers are not required to, nor are provided incentives to facilitate and lead professional development opportunities and therefore do not attempt to lead on their own.

Problem Statement 5 Areas: School Processes & Programs

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Local Accountability Systems (LAS) data

Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Texas approved PreK - 2nd grade assessment data

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Attendance data
- Discipline records

Employee Data

- Professional learning communities (PLC) data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- T-TESS data

Parent/Community Data

- Parent engagement rate

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data

Goals

Goal 1: Recruit, support and retain teachers and principals

Performance Objective 1: All positions will consist of personnel that is highly qualified for the position.

Evaluation Data Sources: Teacher certifications, resumes that consist of accurate work experience, references prior to hire, and data gathered from interviews.

Strategy 1 Details	Reviews			
Strategy 1: All newly hired teachers will be certified for the position in which they will be teaching. Strategy's Expected Result/Impact: Teachers will be highly qualified for teaching their content area. This will ensure that students are successful in learning the state standards for the subject. Staff Responsible for Monitoring: Admin Title I: 2.5, 2.6 - TEA Priorities: Recruit, support, retain teachers and principals - ESF Levers: Lever 5: Effective Instruction Problem Statements: Demographics 1 Funding Sources: Math Specialist - Title I, Part A - \$78,983	Formative			Summative
	Nov	Feb	Apr	June
				
Strategy 2 Details	Reviews			
Strategy 2: All newly hired paraprofessionals will be qualified for the position in which they will be filling. Strategy's Expected Result/Impact: Paraprofessionals will be well suited for their positions based on interview data, resumes, references, and transcripts. This will ensure that students are receiving the best intervention from qualified individuals. Staff Responsible for Monitoring: Admin Title I: 2.5 - ESF Levers: Lever 2: Strategic Staffing Problem Statements: Student Learning 1, 2 Funding Sources: Paraprofessional positions - Title I, Part A - \$72,410	Formative			Summative

Performance Objective 2 Problem Statements:

Student Learning
Problem Statement 1: 3rd Grade scored below the region and state average in Reading and Math on the 2023 STAAR. Root Cause: Learning loss as a result of the COVID-19 pandemic have proven to show learning gaps in 3rd grade students in which are continuing to be recovered annually. The STAAR test was redesigned to include a variety of new types of questions which are different from those students are accustomed to.

Student Learning
Problem Statement 2: Banquete Elementary is projected to have scored an F on Academic Growth in Domain II for School Progress.
Perceptions
Problem Statement 1: Banquete Elementary has limited resources in the area due to being a rural campus. Root Cause: Banquete Elementary is in a rural area of the Coastal Bend Area. We are approximately 30 miles from the nearest metroplex city, Corpus Christi.

State Compensatory

Budget for Banquete Elementary School

Total SCE Funds: \$108,165.00

Total FTEs Funded by SCE: 4

Brief Description of SCE Services and/or Programs
